

## **Biodata: David Berry**

David Berry is a wearer of three comfy hats: graduate student at a PhD program, university professor, and homeschool dad. His research interests are digital game-based learning and instructional design. Previous to this, he completed a MA in TESOL at Biola University in California. He has been teaching EFL and EAP for about 20 years. He has published in numerous publications and presented at many conferences. Since 2009, he has been on the board of reviewers of *TESOL Journal* where he reviews prospective journal articles. He has presented at numerous international conferences (KOTESOL, MEESO, JALT, TESOL Arabia, KSAALT).
