

## **Appendix B Interview Guide 2**

1. What do you think you learned from these two lessons last week?
2. What was the most interesting part that you can remember?
3. How do you qualify your degree of engagement/concentration in this lesson? Why?
4. Is there any particular incident that you remember about this lesson that you want to add?
5. Could you compare this kind of lessons with the English lessons you had before (in Mexico)?
6. What is your impression of your classmates? What do you know about them?
7. I can see you interact a lot with other Mexican students in the class. Could you tell me more about the role they play in your class experience?
